## Experience Certificate

Date: May 21, 2025

To Whom It May Concern,

This is to certify that Muhammad Hamza has been employed with GeFORCE Construction as a BIM Engineer from January, 2022 to present day. During his tenure with us, he has consistently demonstrated professionalism, dedication, and technical expertise in his role.

Muhammad has been responsible for:

- Developing and managing Building Information Models (BIM) for various construction projects.
- Coordinating with architects, engineers, and other stakeholders to ensure seamless integration of design elements.
- Conducting detailed clash detection, resolving design conflicts, and ensuring the accuracy of construction documents.
- Applying advanced BIM tools and software to optimize project workflows and improve efficiency.

His ability to handle complex projects with precision and his proactive approach to problem-solving have significantly contributed to the successful completion of several key projects. Muhammad's collaborative nature and excellent communication skills have also made him a valuable asset to our team.

We highly appreciate his contributions and wish him the very best in all his future endeavors.

Should you require any further information, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "L. St. John", written over a dashed horizontal line.

Lysander St. John  
GeFORCE Construction (Manager)
